*Please note: If applying in the spring, we prefer to start staff during the school year- evenings or Saturdays for a few hours here and there- so you can get training in ahead of the summer rush. If you tell us you cannot start till June or July, we may have a hard time squeezing in your training shifts between your summer schedule: vacations/trips/camps and our super busy times. We have many staff who are involved in spring (and fall) sports, so we understand the schedule difficulties, but if you are willing to work with us through it, we are, too!

Twirly Top is a job where you will literally never be bored. We have a fast-paced work environment, which
makes the shifts go by fast! It also means we work hard as a team and need everyone to do the same.

Please explain why you want to work at Twirly Top:

What characteristics or skills do you have that would be an asset to the Twirly Top team? Why would you make a valuable team member? Do NOT say because you are a social butterfly and like to chat all day long.

Please list sports and/or extracurricular activities that you are involved in for each season that would conflict with work:

For Reference:

Summer hours 11:30am – 9:30pm Monday – Saturday

Fall/Spring hours: 12:00pm – 9:00pm Monday – Saturday

We are CLOSED on Sundays, so no work will ever be required on that day.

Season	Activity/Sport/Extracurricular
Spring (April – when school lets out)	
Summer (when school lets out – when school starts)	
Fall (when school starts – November)	

Please list all spring/summer/fall trips that you will need off work for. We know that days may come up that you will want or need off for and that's okay- we just need as complete a list as possible of vacations, trips, camps, etc

How many total outings did you list above? _____

How many total hours are you hoping to work each week? (spring): _____

How many total hours are you hoping to work each week? (summer): _____

How many total hours are you hoping to work each week? (fall): _____

There are 3 “summer” holidays that occur during our open season.

- Memorial Day weekend (Saturday, May 26th and, Monday, May 28th)
- July 4th weekend (July 3rd–July 5th: Thursday, Friday, Saturday for 2025)
- Labor Day weekend (Saturday, August 30th, and Monday, September 1st)

Most staff are able to work at least 3-5 shifts for the holidays (the days listed above) per season and many are able to work at least 1 shift each of the days listed above, especially considering Sundays will always be yours. This is important as we are typically very busy on the days listed above. Keeping in mind a shift is generally 12pm-5pm or 4pm-9pm, will that be a problem for you?

Normal non-holiday date time-off requests are unlimited except that they MUST be submitted on the online scheduling app a MINIMUM of two weeks (14 full days) from the date you are requesting it in order to guarantee time-off (family emergencies/funerals as well as trips occurring in the timeframe of less than 2 weeks from when this application is being filled out are clearly exceptions). Do you think you will have a problem following this rule?
